1. Tuition for the complete Drive! Driving School training course is \$395. Tuition must be paid in full before the first classroom session begins. Payment can be made using a credit card, debit card, personal check or money order. We will not accept cash. There will be a \$35.00 service charge for all returned checks.
2. The student will receive thirty (30) hours of classroom training and six (6) hours of behind-the-wheel training. Students must complete thirty (30) hours of in-class instruction with a passing grade of at least 70%, as well as six (6) hours of in-car behind-the-wheel training with a Drive! Driving School instructor and pass the drive test with a score of at least 70% to receive a Driver's Training Certificate. A fee of \$25 will be charged for replacement of lost certificates. If the course is not completed with a passing score of 70%, there is a re-enrollment fee of \$125. Students may retake each test one time.
3. In the event that additional driving time is needed, students may schedule additional sessions at the rate of \$50 per hour.
4. Driving appointments for the above-named student will be scheduled depending on the availability of Drive! Driving School instructors, weather conditions, and subject to all fees being paid in full.
5. Cancellation of driving and testing appointments must be made at least 24 hours before the scheduled appointment. Student will be charged \$50.00 if cancellation is made less than 24 hours before the appointment begins.
6. Student and parents or legal guardians will be responsible for any damage to Drive! Driving School classrooms, materials, and automobiles other than in the ordinary course of driving with an instructor.
7. Please list any medical, physical or mental health conditions which could be directly related to student performance in any aspect of the courses to be provided by Drive! Driving School, including but not limited to diabetes, epilepsy, amputation, paralysis, deafness or hearing impairment, eye disease, corrective lenses, attention deficit disorder and learning disabilities.

8. Student has one (1) year from the first day of class to complete driving instruction and the road exam. A reinstatement fee of \$50.00 will be charged for finishing the program after the one (1) year time period.
9. This contract must be signed by the student and parent or legal guardian and returned to Drive! Driving School by the first day of class. Student will not be able to attend class until the contract is received and all fees are paid in full.
10. While Drive! Driving School will exert its best efforts in teaching the student to meet the requirements of the NC Division of Motor Vehicles examination, the school cannot guarantee that the student will successfully pass a DMV exam upon completion of the course.

11. This agreement constitutes the entire contract between the school and the student, and any verbal assurances or promises not contained herein shall bind neither the school nor the student.
12. Drive! Driving School will not refund any tuition monies or any part thereof once actual services have been rendered.
13. Under this agreement an instructor may not provide behind-the-wheel training to more than three individual students during one driving session.

To the extent permitted by law, student and parent or legal guardian agree to indemnify and hold harmless Drive! It is acknowledged that this indemnification language is clear, concise and unambiguous and not unduly burdensome. It is also acknowledged that Drive! Refund Policy: We are happy to refund tuition for classroom instruction, less a \$10 processing fee, if you cancel classes two full working days prior to the first class meeting. If a request for a refund is made less than two working days prior to the first class, the student will receive a refund equal to 50% of the paid class tuition. If a student cancels a behind-the-wheel session at least 24 hours before a scheduled appointment, the session fee will be refunded minus \$50. If a behind-the-wheel session is cancelled less than 24 hours before the scheduled appointment, no refund will be provided.

Attendance: North Carolina state law requires that students attend 30 hours of classroom instruction. Missed classes must be made up and completed during another session. Locations for makeup dates are subject to change and cannot be guaranteed. If students arrive 10 or more minutes late and leave class 10 or more minutes early, this will be counted as a one-hour absence. A student automatically fails after 10 missed hours and will be required to retake the entire 30-hour classroom portion of driver's education.
